## **Ali H. Baalbaki, MD** **Anesthesiology & Pain Management**

Dr. Baalbaki earned his medical degree from the University of Baghdad, College of Medicine in Baghdad, Iraq, in 1992. He then completed his Internal Medicine Residency at Makassed General Hospital in Beirut, Lebanon and General Surgery Residency at St. Elizabeth's Medical Center at Tuft's Medical School in Boston, MA. Afterward, he served two Anesthesiology Residencies; one at the American University of Beirut Medical Center in Beirut and another at the St. Elizabeth's Medical Center at Tuft's Medical School, where he also served as Chief Resident in 2000. Dr. Baalbaki completed a fellowship in Pain Management at Brigham and Women's Hospital at Harvard Medical School in Boston in 2001, and another fellowship in Critical Care Medicine at the University of Florida Health Science Center in Gainesville, FL, in 2002.

As an anesthesiologist with training in critical care medicine and pain management, Dr. Baalbaki uses a multi-disciplinary approach to treating a multitude of intrusive and chronic pain disorders. He is certified in anesthesiology, pain management, and critical care medicine by the American Board of Anesthesiology and is a member of the American Medical Association and the American Society of Anesthesiologists.
