## **Leonid Stepanov, DO** **Anesthesiology**

Dr. Stepanov earned his medical degree from the Russian State Medical University in Moscow, Russia, in 1993. He served his General Surgery Residency at Moscow City Hospital 55, then continued one more year as an attending physician in the surgery department. Dr. Stepanov was a member of the Open Heart Surgery Team at Winthrop University Hospital in Mineola, NY, from 1996-1999 before earning his DO from New York College of Osteopathic Medicine in Westbury, NY, in 2002. He completed his internship and anesthesiology residency at Nassau University Medical Center in East Meadow, NY, in 2006.

Dr. Stepanov joined Sentara Medical Group at Sentara Bayside Hospital in 2006. He is board certified in Osteopathy and Anesthesiology.

As a physician with Sentara Anesthesiology Specialists, Dr. Stepanov is dedicated to delivering quality patient care and personalized attention before, during and after surgery while working closely with the surgeons and the entire patient care team.

In his leisure time, Dr. Stepanov enjoys tennis, fishing and camping.
