Adel A. Boulos-Mikhael, MD **Neurology**

Dr. Boulos-Mikhael earned his medical degree from Kasr El-Einy Medical School at Cairo University School of Medicine in Cairo, Egypt, in 1985. He completed his internship at Cairo University School of Medicine in 1987 and served radiodiagnosis residencies at Maadi Armed Forces Hospital and Naser Institute Hospital in 1988 and 1991, respectively. Dr. Boulos-Mikhael completed his neurology residency at Albany Medical College in Albany, NY, in 2007.

With a master's degree in radiodiagnosis from Ein Shams University, and fellowship training in neurophysiology and neuroimaging, Dr. Boulos-Mikhael has special expertise in providing state-of-the-art diagnostic and treatment services to patients with epilepsy and numerous other neurological conditions. His professional experience includes the use of Electromyogram (EMG) and neurophysiology/EEG which aid in the diagnosis of diseases such as those that affect the spinal cord, nerves, neuromuscular transmission and muscle.

Dr. Boulos-Mikhael is a member of the the American Society of Neuroimaging, the American Academy of Neurology, the American Society of Neuroradiology, and the Egyptian Syndicate of Physicians.
