## **Bruno M. Maton, MD** **Neurology**

Dr. Maton earned his medical degree from Bordeaux University Medical School in Bordeaux, France. He completed his Internship and Residency in Neurology at Strasbourg University Hospital in Strasbourg, France, where he also earned a Fellowship in EEG/Epilepsy in the Department of Neurology.

Dr. Maton's practice specializes in the diagnosis and care of epileptic patients. He gained professional experience in various hospitals in France, Switzerland and the United States. After arriving in the USA in 1996, Dr. Maton earned a Fellowship at the Cleveland Clinic Foundation in Cleveland, OH; a Fellowship in Neuroimaging at the University of Alabama Epilepsy Center in Birmingham, AL; an Internship and Residency in Neurology at Albany Medical Center in Albany, NY, where he was also Assistant Professor in Neurology; and a Fellowship in Clinical Neurophysiology at Miami Children's Hospital in Miami, FL, where he was also a Research Scientist in Neuroimaging at the Brain Institute. Over his career, Dr. Maton has authored over 40 publications in various peer-reviewed journals and multiple book chapters.

Dr. Maton's fluency in English, French, and Spanish is an added advantage to the service he provides our diverse Hampton Roads community.
