Bryn J. Scola, PA **Physician Assistant**

Mr. Scola earned his Master of Physician Assistant degree at Eastern Virginia Medical School in Norfolk, VA, in 2008. Beforehand, he received his Bachelor of Science degree in Human Services Counseling at Old Dominion University in Norfolk, VA, and completed an internship at Virginia Beach Psychiatric Center.

Prior to joining Urology Of Virginia, Mr. Scola served as Patient Advocate at Children's Hospital of the Kings Daughters where he provided counseling to parents and families. He also worked as a Physician Assistant for the rehabilitation center at the Williamsburg Place & Farley Center. Further, Mr. Scola devotes time and expertise as a volunteer for several local community services.

Mr. Scola is certified by the National Commission on Certification of Physician Assistants (NCCPA). He is also a member of the American Academy of Physician Assistants and the Virginia Academy of Physician Assistants.
