Dr. Berry earned his undergraduate and medical degrees from the University of North Carolina at Chapel Hill in 1986 and 1991, respectively. He completed his Ear, Nose and Throat training at the University of Illinois at Chicago in 1996. Dr. Berry is board certified by the American Board of Otolaryngology. He also completed a fellowship in Advanced Sinus Surgery and Rhinology in 2000 and has fellowship certification by the American Academy of Otolaryngic Allergy.

Dr. Berry has been in private practice in Virginia Beach since 2000. In addition, he is Assistant Professor of Clinical Otolaryngology at Eastern Virginia Medical School in Norfolk where his responsibilities include clinical and surgical training of residents. Dr. Berry is also actively involved in the local medical community. He serves on the medical staff leadership at Sentara Bayside Hospital and on the Advisory Board for the new Sentara Princess Anne Health Campus and Surgery Center.

Dr. Berry has special interest in nasal and sinus surgery, allergy, and pediatric ENT disorders. Dr. Berry is married and has two children.
