Dr. Glickman received his medical degree from Case Western Reserve University and finished his general surgery residency at the University of Washington Hospitals in Seattle, WA. In 1981, Dr. Glickman completed his vascular surgery fellowship at Saint Anthony Hospital in Columbus, OH, and joined Vascular & Transplant Specialists. He is certified by the American Board of Surgery in both general surgery and vascular surgery.

Dr. Glickman has held academic appointments at Ohio State University, Eastern Virginia Medical School and Old Dominion University. He has co-authored and published numerous vascular disease and vascular surgery articles and has presented papers to surgical societies around the world. Dr. Glickman is President-elect of the Vascular Access Society of the Americas (VASA).

Dr. Glickman is a Fellow of the American College of Surgeons. He serves as the medical director for Sentara's Southside hospitals' vascular services and directs Vascular & Transplant's amputee rehabilitation unit and the group's industry-sponsored clinical research programs.
