Dr. Gensler is a native of Carlisle, Pennsylvania. He received his medical degree from Hahnemann University School of Medicine in Philadelphia and trained in general surgery at the University of Kentucky Medical Center in Lexington where he also completed his vascular surgery fellowship. In 1997, Dr. Gensler began practicing general and vascular surgery with Carolina Surgical Care in Elizabeth City, North Carolina. While practicing in Elizabeth City, he served as chief of surgery at Albemarle Hospital, treasurer of the hospital's medical staff, and medical director of the hospital's peripheral vascular laboratory. He joined Vascular & Transplant Specialists in 2004 and continues to maintain a busy clinical arterial and venous practice.

Dr. Gensler is a Fellow of the American College of Surgeons (FACS) and is board certified by the American Board of Surgery in vascular surgery and general surgery.

Dr. Gensler has a special interest in carotid disease as well as minimally invasive intervention for lower extremity and mesenteric arterial occlusive disease.
