

SENTARA HEALTH FOUNDATION

VOLUME FIVE

FALL 2006

A Family's Generosity Brings a New Breast Center to the Area.

Dr. Richard A. Hoefler said simply, "I'm not aware of a family in the country who hasn't been affected by breast cancer in some way." That's what makes his mother's donation of \$500,000 for the new Dorothy G. Hoefler Comprehensive Breast Center so important.

It will be a unique center in the area to provide comprehensive breast care where the surgeon, radiologist and nurse navigator all work together in one place and, in consultation with medical oncologists, diagnoses and treatment plans can be expedited. It will allow a patient to know what her situation is sooner," explained Dr. Hoefler.

Mrs. Dorothy G. Hoefler recognizes that clinical services and research can be very expensive. "She wanted to start something new that provided additional support for these kinds of patients," said Dr. Hoefler. There is also a family connection. Mrs. Hoefler's stepsister died of breast cancer when she was just 39. Her sister had it too, and was treated, but died of ovarian cancer.

Dr. Hoefler, a surgical oncologist, will be working at the center with his partners, Dr. Greg Lavalle and Dr. Deborah Martinez. Other surgeons in the community are being encouraged to participate in the center's high quality clinical services and state-of-the-art facility. Comprehensive diagnostic equipment such as MRI, gamma-specific breast imaging (nuclear medicine), and ultrasound is

Dr. Richard A. Hoefler, Mrs. Dorothy G. Hoefler and Robert W. Hoefler.

"Mom turned 92 on October 20th, and I think she felt like she really wanted to leave a legacy. This gift will have a lasting benefit for thousands of women," said Dr. Hoefler.

planned for the first floor, making it convenient for patients. In addition, a variety of minimally invasive or image-guided biopsy procedures will be possible for patients seeking full cancer treatment in one location. These physicians will see patients upstairs where they'll also have weekly conferences with pathologists, oncologists and other surgeons to go over new patients' cases.

"Mom turned 92 on October 20th, and I think she felt like she really wanted to leave a legacy. This gift will have a lasting benefit for thousands of women," said Dr. Hoefler. "She's a housewife who raised my brother and myself, and she's just very excited to have this opportunity."

The Dorothy G. Hoefler Comprehensive Breast Center in Newport News is set to open in spring 2007.

Tribute Gifts

Gifts to Sentara Health Foundation from
January 1, 2006 to June 30, 2006.

We thank those listed for their gifts to acknowledge friends, family and co-workers. Every effort has been made to recognize our contributors. If there are any corrections, please contact (757) 455-7220.

Foundation Shows Appreciation To Auxiliaries

The Sentara Health Foundation held its first annual Auxiliary Appreciation Tea in August.

Each Sentara hospital auxiliary had the opportunity to present highlights of their most recent projects and contributions, which was also a source of new ideas. It was inspiring to see the warm fellowship and

creativity. The Foundation presented a certificate of appreciation to each auxiliary for outstanding service, dedication and commitment in partnering with Sentara to improve the health of our communities.

Pictured left to right: Sylvia Howell - Sentara Bayside Auxiliary President, Rosalind Tester – Sentara Leigh and Norfolk General Hospital Auxiliary President, Ella McDonald – Sentara CarePlex Auxiliary President, Dorothy Bickmore – Sentara Williamsburg Regional Medical Center Auxiliary President, Marie Mucerole – Sentara Obici Hospital 2007 Incoming Auxiliary President, Pat Goodall – Sentara Virginia Beach General Hospital Auxiliary President, and Gina Pitrone – Executive Director, Sentara Health Foundation.

Sentara Health Foundation Online

www.sentara.com/foundation

The Sentara Health Foundation is a division of Sentara Healthcare, a 501(c)3 charitable entity. All charitable gifts are directed through the Foundation to the appropriate intent.

Sentara Leadership Shows Their Support

The Sentara Healthcare Board of Directors and senior executive leadership have demonstrated their strong commitment to our mission of improving health every day. Leadership giving is the hallmark of philanthropy, and when 100% of the Board recently contributed to Sentara's Heart Health Initiatives, it made a powerful statement: believe in what you do and set an example for others.

These gifts, along with others from grateful patients and friends in the community, will continue to assist Sentara in bringing advanced technology and innovative treatments for all in need of healthcare in the communities we serve.

H.O.P.E. Fund

Where there are Sentara employees, there's HOPE.

Deletrice Cherry-Speller, a Sentara environmental service employee, was a contributor to the Helping Overcome Personal Emergency Fund — or H.O.P.E. Fund — created for employees by employees. The Fund is available for employees who experience catastrophic financial loss or hardship such as a death in the family, a serious personal or family illness, fire, flood, hurricane, or other natural disaster. Little did Deletrice know that one day her whole world would crumble, her life would forever be changed, and she would be a beneficiary of the H.O.P.E. Fund.

Tamika Cherry, Deletrice's happy, high-spirited 14-year-old daughter, was coming home from summer school on July 7 when she was hit by a car. With a serious brain injury and broken bones, Tamika survived and was later transferred to the Kluge Children's Rehabilitation Center in Charlottesville where

she will continue her long road to recovery.

"The H.O.P.E. Fund helped us tremendously," said Deletrice. "I don't know how I would have done it alone. They paid my bills and have been so supportive while I was able to be at my daughter's bedside."

Since the H.O.P.E. Fund began in September 2003, literally in the wake of Hurricane Isabel, more than 150 employees have been helped through personal tragedies including illness, accidents, loss from storms and the Iraq war.

Like Deletrice, they knew first the value of giving and later the solace of receiving. Please keep H.O.P.E. alive and in your charitable giving priorities.

"When I go back to work, I'll definitely be donating every month," said Deletrice. "I want to be able to help someone else because this was a blessing to me and my family."

“Thanks to all of the employees who give to the H.O.P.E. Fund and for being there for my family in our time of need. This is what makes people feel like a family on the job when they can pull together for each other.”

Red Knights Motorcycle Club Rally to Help Others

The Red Knights Motorcycle Club, Virginia Chapter IV, consisting mostly of firefighters, is a group of compassionate motorcycle riders. Since the first “Where’s the Fire?” ride in 2003, they have been actively raising money for the Sentara Norfolk General Hospital Trauma Center.

This year, the fourth annual ride was held in August, and Sentara trauma nurses collected door prizes, helped register the riders, and some even participated in the ride from Virginia Beach to Chesapeake.

“The funds donated are used to buy pressure garments for burn patients,” said Valeria Mitchell, RN, Trauma Program Manager.

“All of the funds will be used for burn care, educational material, and equipment to assist some of the younger patients.”

Members of the Red Knights also volunteered their time to support the Trauma Center with other fundraisers throughout the year. “They’re so generous,” says Valeria. “These are people who really go all out to help others.”

A Beacon of Hope for Grieving Children Provided Through Donations

When Sheila Romm's husband of 20 years, Eddie, died of cancer last year, it was devastating to her and her two children, Kate, 15, and Kevin, 10. "Our neighbor, a nurse, gave us a brochure about Camp Lighthouse," said Sheila. "I was concerned about the children and I thought we needed support as a family."

Kate was having an especially hard time. "She closed up," explained Sheila. "But at camp, everyone else was going through the same thing. They allowed her to acknowledge her grief and gave her the tools to deal with it."

Camp Lighthouse, supported by Sentara's Hospice Mission Fund, is "a beacon of hope for grieving children." In April 2006, Camp Lighthouse was held at the Triple R Ranch in Chesapeake. The weekend camp is scheduled for April 21 and 22, 2007. Hospice

volunteers and staff helped more than 50 children who had lost parents, grandparents, siblings or other family members. Led by specially selected licensed counselors and social workers, children ages 6 to 16 were encouraged to share their feelings so they can begin healing, learning how to release their sadness while holding on to their love.

a personal level."

Sheila was so moved by Camp Lighthouse that she made a donation in her husband's name. "Camp Lighthouse was the biggest thing for me and my kids. We can't say enough wonderful things about the volunteers and staff.

Everyone noticed the passion of the volunteers and staff, which touched every child with a healing hand. "We were overwhelmed by the need. Camp Lighthouse is one of the best things we've ever done," said Sabine Brent, Director of Operations, Sentara Home Care Services. "It was also rewarding on
