

# High School Seniors

## Get An Early Start On A Rewarding Career.

## Early Admission To The Registered Nursing Program At Sentara School Of Health Professions.

If you're a high school senior with high academic standards and want to be accepted into an RN program now, here's great news. Sentara School of Health Professions\* has a new Early Admission option for applicants to our popular Registered Nursing Program. The process is easy:

1. Take the SATs
2. Call 757-388-2623 to request an application or log onto [www.sentara.com/healthprofessions](http://www.sentara.com/healthprofessions)
3. Apply for admission
4. Graduate from high school
5. Be accepted in the RN Program
6. Attend a college to complete the prerequisite courses.

Completion of the prerequisites and enrollment must take place within 18 months after high school graduation. Don't delay. Start now, and get a head start on a career that's always in demand.
