

AUDIOLOGY

SENTARA MEDICAL GROUP

“The practice of Audiology is a distinct combination of technology, compassion, and understanding.”

KIMBERLY S. CROTEAU, AU.D

Dr. Croteau earned her Doctor of Audiology degree from James Madison University. She also completed her Bachelor of Science degree with a major in Communication Sciences & Disorders and a minor in Family Studies at JMU.

Dr. Croteau's clinical experience includes Doctoral Fellowships at the University of Virginia Health Systems in Charlottesville, VA; the Veterans Administration Medical Center in Martinsburg, WV; and the Professional Hearing Services: Dizziness & Balance Center in Falls Church, VA. Her experiences in graduate school also involved practices in Winchester and Harrisonburg, VA, as well as Eastern Virginia Medical School in Norfolk, VA. Dr. Croteau presided as Vice President of the National Student's Speech-Language-Hearing Association (NSSLHA) from 2006-2008.

Dr. Croteau has a special interest in digital audiologic amplification, vestibular and balance disorders, cochlear implantation, and pediatrics. She is board certified by the Virginia Board of Audiology, the American Speech-Language-Hearing Association and the American Academy of Audiology.
