

OUTPATIENT LACTATION CONSULTS

Sentara Obici Hospital is proud to offer outpatient lactation consults for moms who want additional breastfeeding support.

Get the help you need, when you need it.

- Access to trained lactation consultants
- Confidence to breastfeed successfully
- Address challenges such as latching, milk supply, and more

Your insurance will be billed for the consult. Please verify that you have outpatient lactation coverage.

NEED BREASTFEEDING ASSISTANCE AFTER DISCHARGE?

Schedule an appointment for a one-on-one lactation consult with our lactation department.

Appointments are available
Monday - Friday between
12:00 P.M. - 3:00 P.M.

Call 757-934-4059 to schedule.
