HOSPICE

HOSPICE FUND

Sentara Hospice is dedicated to providing sensitive and compassionate care when meeting the unique needs of each individual. The program offers support during this difficult transition for patients and their families. Contributions to this fund help Sentara provide volunteer supplies and training used in addressing the emotional issues experienced by those in the hospice program.

SENTARA HOSPICE HOUSE

The Sentara Hospice House in Virginia Beach is a 12 bed dedicated residential hospice facility with an atmosphere more like a home than a hospital. Contributions will be used exclusively for amenities and enhancements outlined in the case for support of this project and for future expansion construction of the facility. We are grateful for the donors who are helping to enrich hospice patients' final days with hope, strength and joy at our new Hospice House, a home away from home.

SCHOLARSHIPS

CLINICAL EDUCATION EXCELLENCE INITIATIVE

Contributions to the Clinical Education Initiative help provide scholarships to qualified, Sentara-employed students (and their children) who are in need of assistance to further their education. The crises in healthcare are real and immediate. To assure we have access to the highest and best medical care in the Hampton Roads area requires action here and now. Enhancing the training and skill level of clinical professionals is in all of our own best interests. Each of us depends on the quality, safety and availability of nurses and clinical technologists.

LOIS KERCHER NURSING RESEARCH

The Lois Kercher Nursing Research Grant Fund was established in tribute to Lois Kercher's retirement and lifelong career in nursing. As a legacy to the pursuit of nursing excellence, this fund will provide grant monies for selected nursing research projects that further Sentara's commitment to exceptional care.

KELLY RICHENDOLLAR NURSING SCHOLARSHIP

Kelly Richendollar was a nurse at Sentara Norfolk General who died tragically in a traffic accident. Her family established this scholarship fund in her memory as a tribute to her passion for nursing. Contributions made to the Kelly Richendollar Memorial Nursing Scholarship are the key to furthering the education and training of nursing students who have committed themselves to emergency room care.

The cardiovascular technologist training program at the Sentara School of Health Sciences is a highly competitive course that delivers certified cardio tech clinicians. Your contributions will be used exclusively for scholarships to support those qualified students who are in need of financial assistance to complete their degree. Thank you for your help in improving the cardiac health of our community with the advanced, specialized training offered to provide our future cardiovascular technologists!

SPECIAL PURPOSE FUNDS

NIGHTINGALE PROGRAM CONTRIBUTIONS

The Nightingale Air Ambulance serves the Hampton Roads region by airlifting patients who need emergent care fast. Staffed with a pilot, a flight nurse and a flight paramedic, the Nightingale team works to stabilize patients who may be suffering a stroke, heart attack or those who have been involved in an accident. This care is delivered en route to the closest and most appropriate level of care medical facility to advance a successful, life saving outcome. Your gifts to support Nightingale further the training, the technology and other advancements needed to keep this top rated program in flight!

MUSIC AND MEDICINE PROGRAM FUND

Enhancing patient outcomes with the use of music to stimulate healing and cognitive growth is an area of great potential and benefit to our community. Your contributions to the Sentara Music and Medicine program help us further outreach concerts, in hospital performances, research and development of this one-of-a-kind treatment developed by Dr. Kamal Chemali, a classically trained pianist and Sentara Medical Group neurologist. Thank you for supporting this ground breaking opportunity to advance patient care through the body's processing of sound, rhythm and music composition.

MOBILE MEALS PROGRAM

Mobile Meals helps reach our most vulnerable seniors by providing healthy meals to those who are homebound. The Mobile Meals program delivers to over 850 seniors in Norfolk, Chesapeake, Virginia Beach, Portsmouth and Hampton and provides not only nourishment, but social contact for those who are in need. Your contributions help us meet the growing needs of those seniors who desperately need a hot meal and a warm smile.

H.O.P.E. FUND
